The court of private land claims, now in session at Tucson, had under consideration the San Bernardino grant, owned by John H. The court will probably adjourn the latter part of this week.

Mr. Charles F. Potter, of Minneapolis, sends this paper a copy of a letter received by him from the Colorado Iron Works of Denver, Colorado, which reads as follows: "In reply to your favor of the 7th inst., we are building circular copper furnaces for the Copper King of Arizona, and expect to make shipment within the next thirty days."

This office is in receipt of a copy of the Carbon Hill Star, published in Alabama. It is edited by E. J. Sibley, while the position of associate editor is held by C. E. Allen, who formerly held cases on THE O.R. and other papers in the territory. He left here with the Bisbee detachment of McCord's regiment, and was with it until mustered out in that state.

The voting contest for Maid of Honor, to represent Cochise county at Phoenix, will close this evening at 8 o'clock, and unless the voting is lively up to the hour of closing it is very doubtful whether we send anyone to represent us. All of the young ladies names who are now on the list are most capable of doing the honors for old Cochise. It seems a shame that in a town of this size not enough votes could be cast to secure a gown for the fair representative.

Carnival Maid of Honor

Balloons and blank ballots have been placed in the drug store. The proceeds of the vote, at 10 cents per vote, will be devoted to defraying the expenses of the favored lady, so that she shall be under no expense whatever.

Jack Stillman has been placed in charge of the ballooning and will see that everything is correctly managed. The ballots will be counted every afternoon at 3:30 in order that the result may be published every evening.

Notice to Friends and the Public.

Being compelled, on account of my professional engagements, to be in attendance upon the District Court during its sitting in Tombstone, commencing on the 4th day of December, 1889, I will gladly attend to my business friends or the public may have in any of the departments of the county government, or in Tombstone. I will leave here for Tombstone (the county seat) on the 2d or 3d of December. Any person desiring to see me before I leave will find me in my office on O. K. street, or at my residence, the "Brophy Cottage," Howell Avenue, back of the Hotel Bessemer.

JOHN A. CAMPBELL, C. R.
C. F. Nichols, R. S.

The O.R. learns from a reliable source that R. W. Barr has resigned his position as chairman of the board of supervisors of Cochise county, the resignation to take effect immediately. A meeting of the board will probably be held on the 18th of December, when some action will be taken in the matter. There is some talk of prominent business men of Bisbee accepting the position.

Jas. Dalgleish has resigned as leader of the Copper Queen band and Emil Smith appointed in his stead. This step by Mr. Dalgleish is sincerely regretted by all, as under his leadership the band has made most excellent progress. Mr. Smith, however, is a thorough musician and the band will still, no doubt, continue to improve under his direction, as it has in the past.
